

Co-funded by the European Union

YOUTH PHOENIX

PROJECT

LARGE SCALE MOBILITY EVENT

THE PROCESS

National Motivational Trainings

In National Motivational Trainings We engaged themes like:

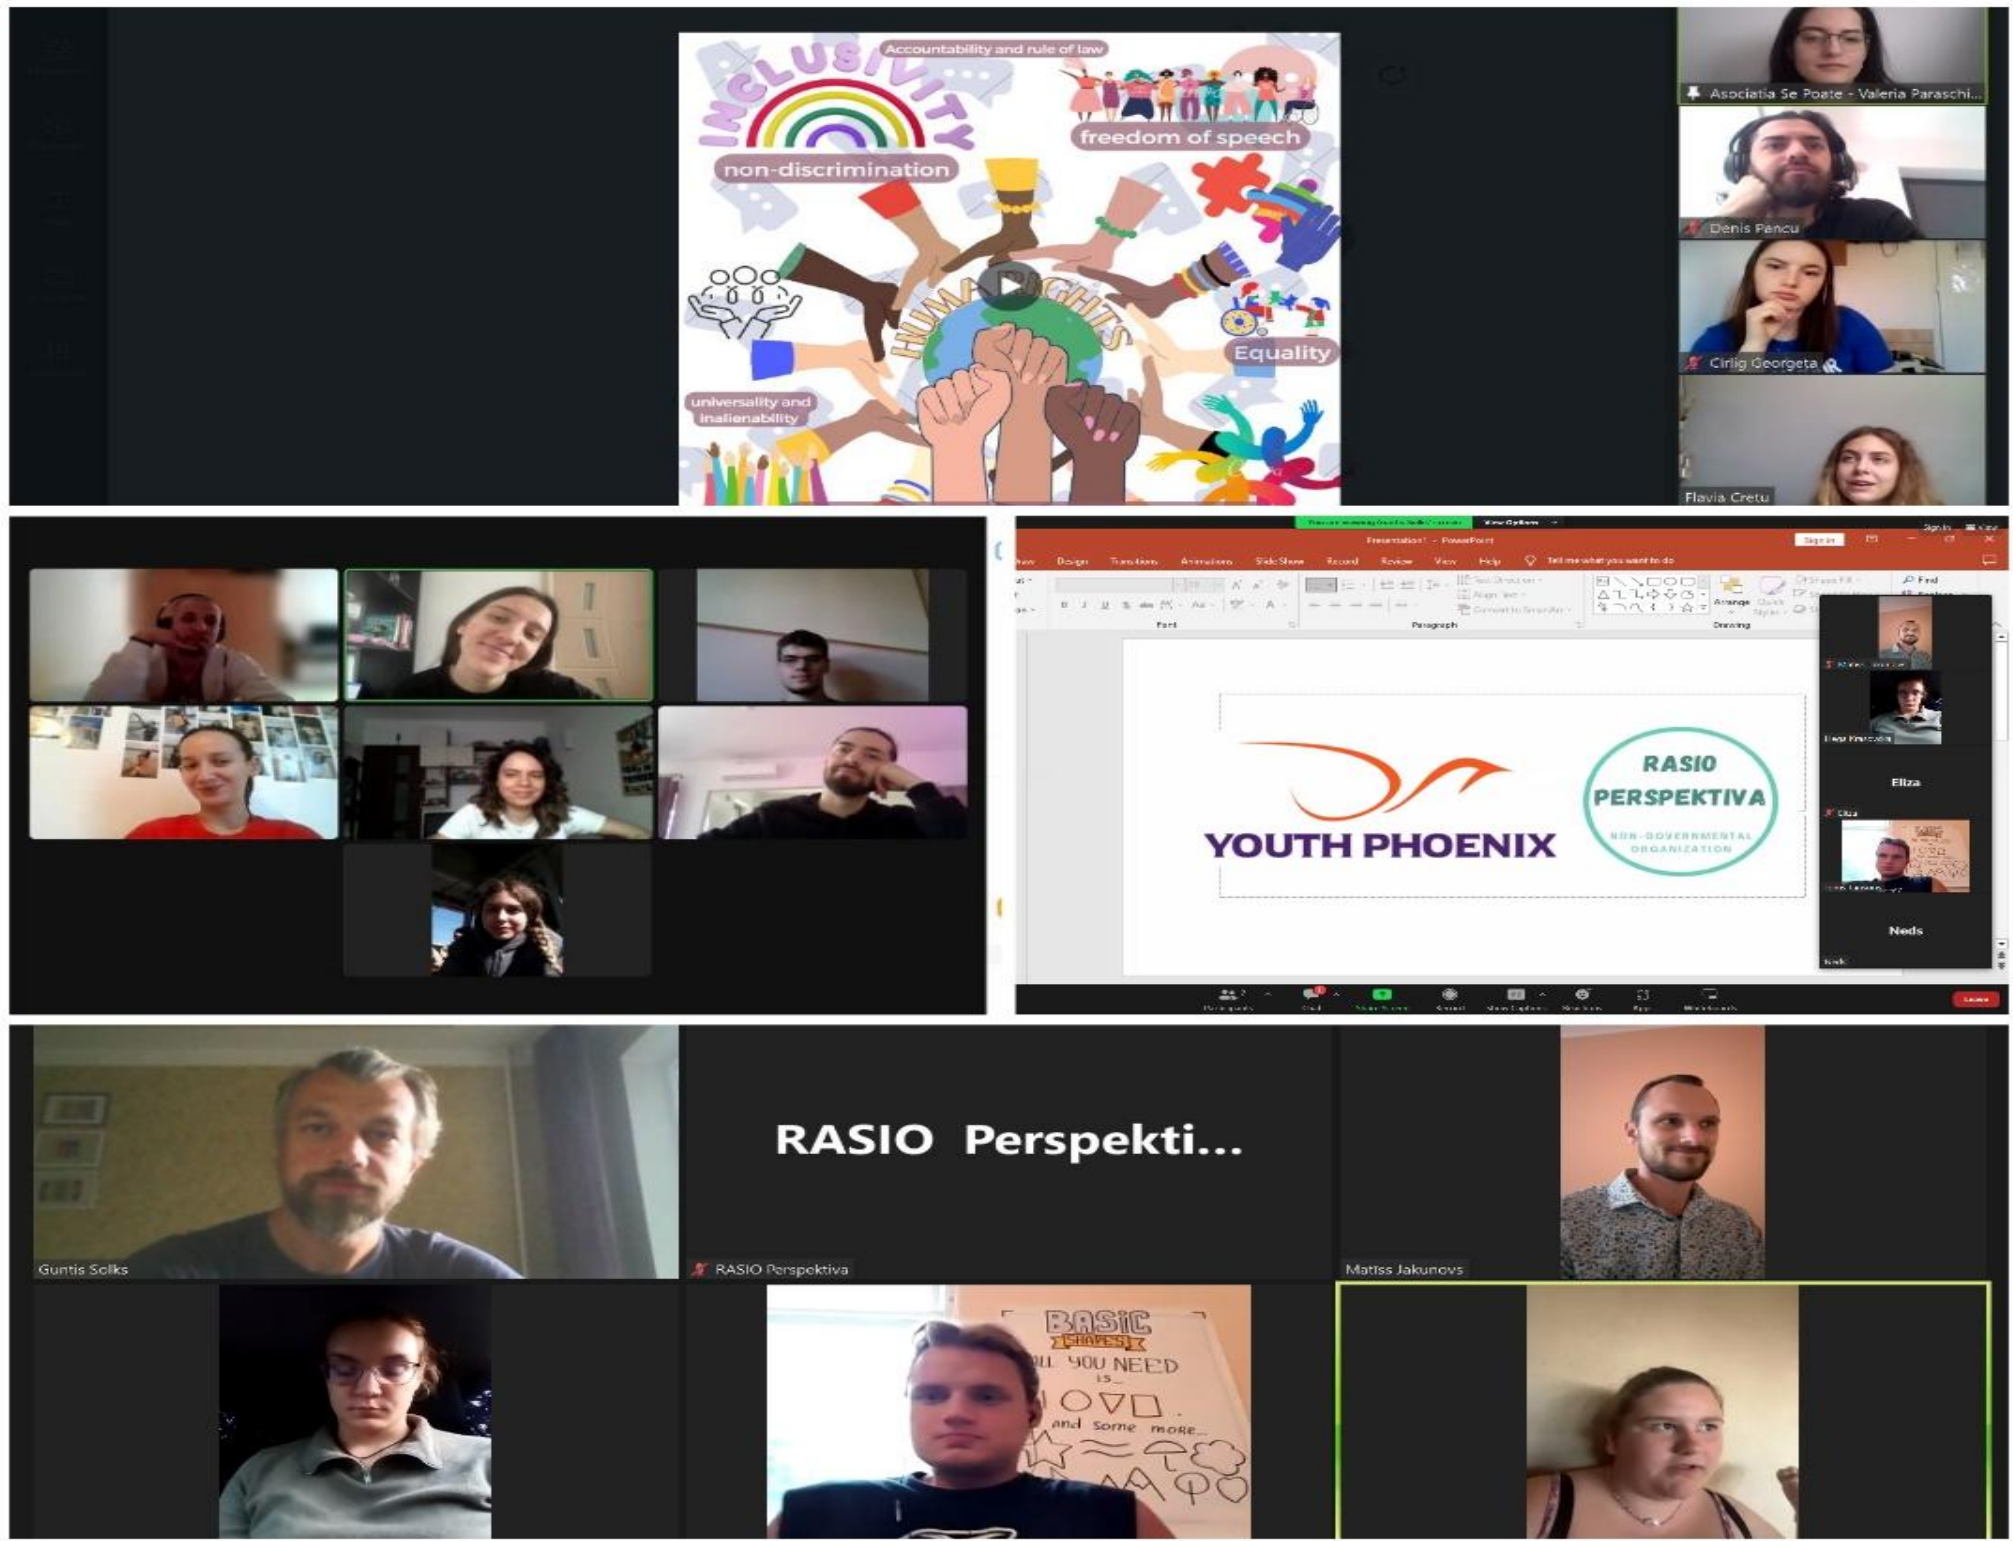

- Personal, civic and social competences for active European citizenship
- Leadership
- Project management

We approach contents like:

- What is citizenship?
- What is a leader?
- How an idea becomes a project?

ROMANIA »

« LATVIA

FRANCE »

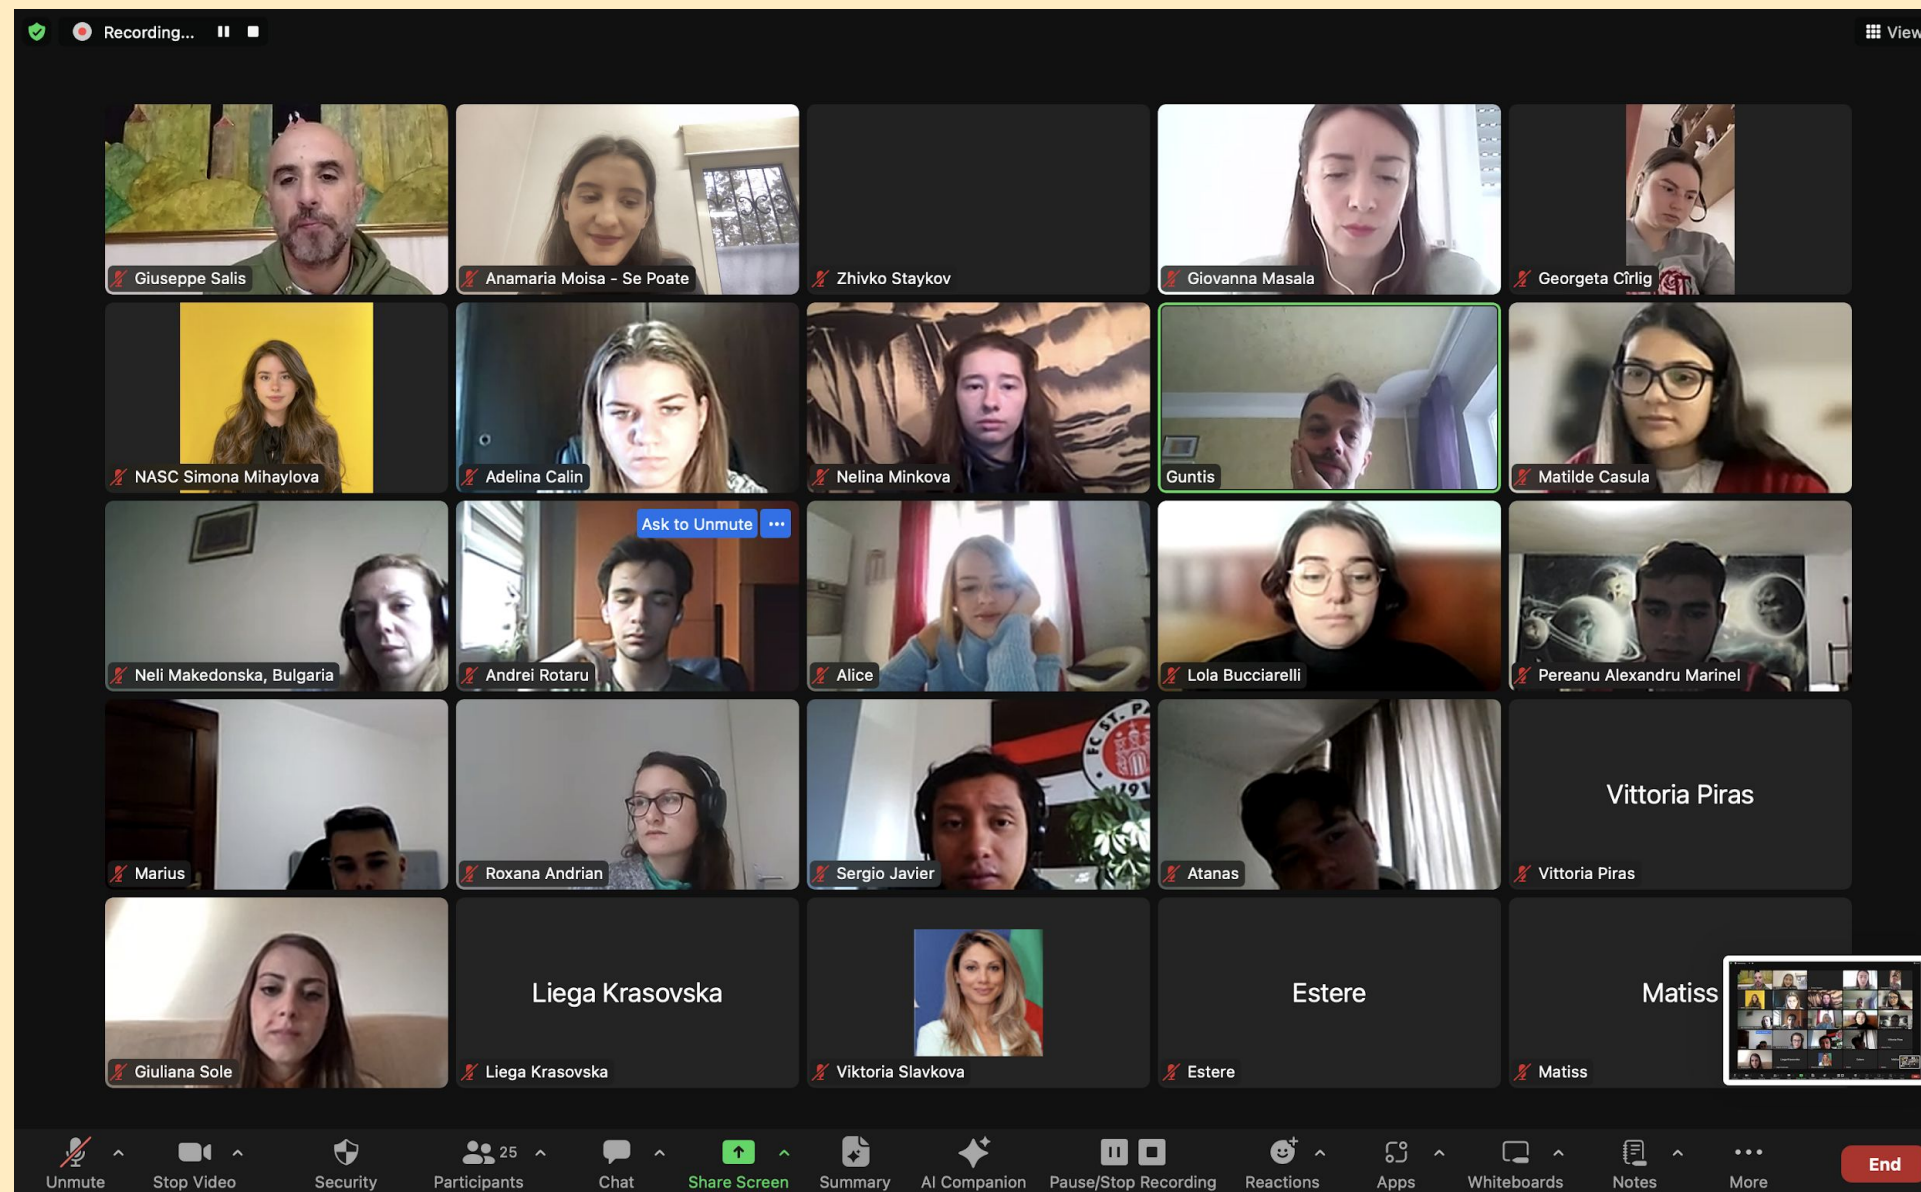

« BULGARIA

ITALY »

International Motivation Training

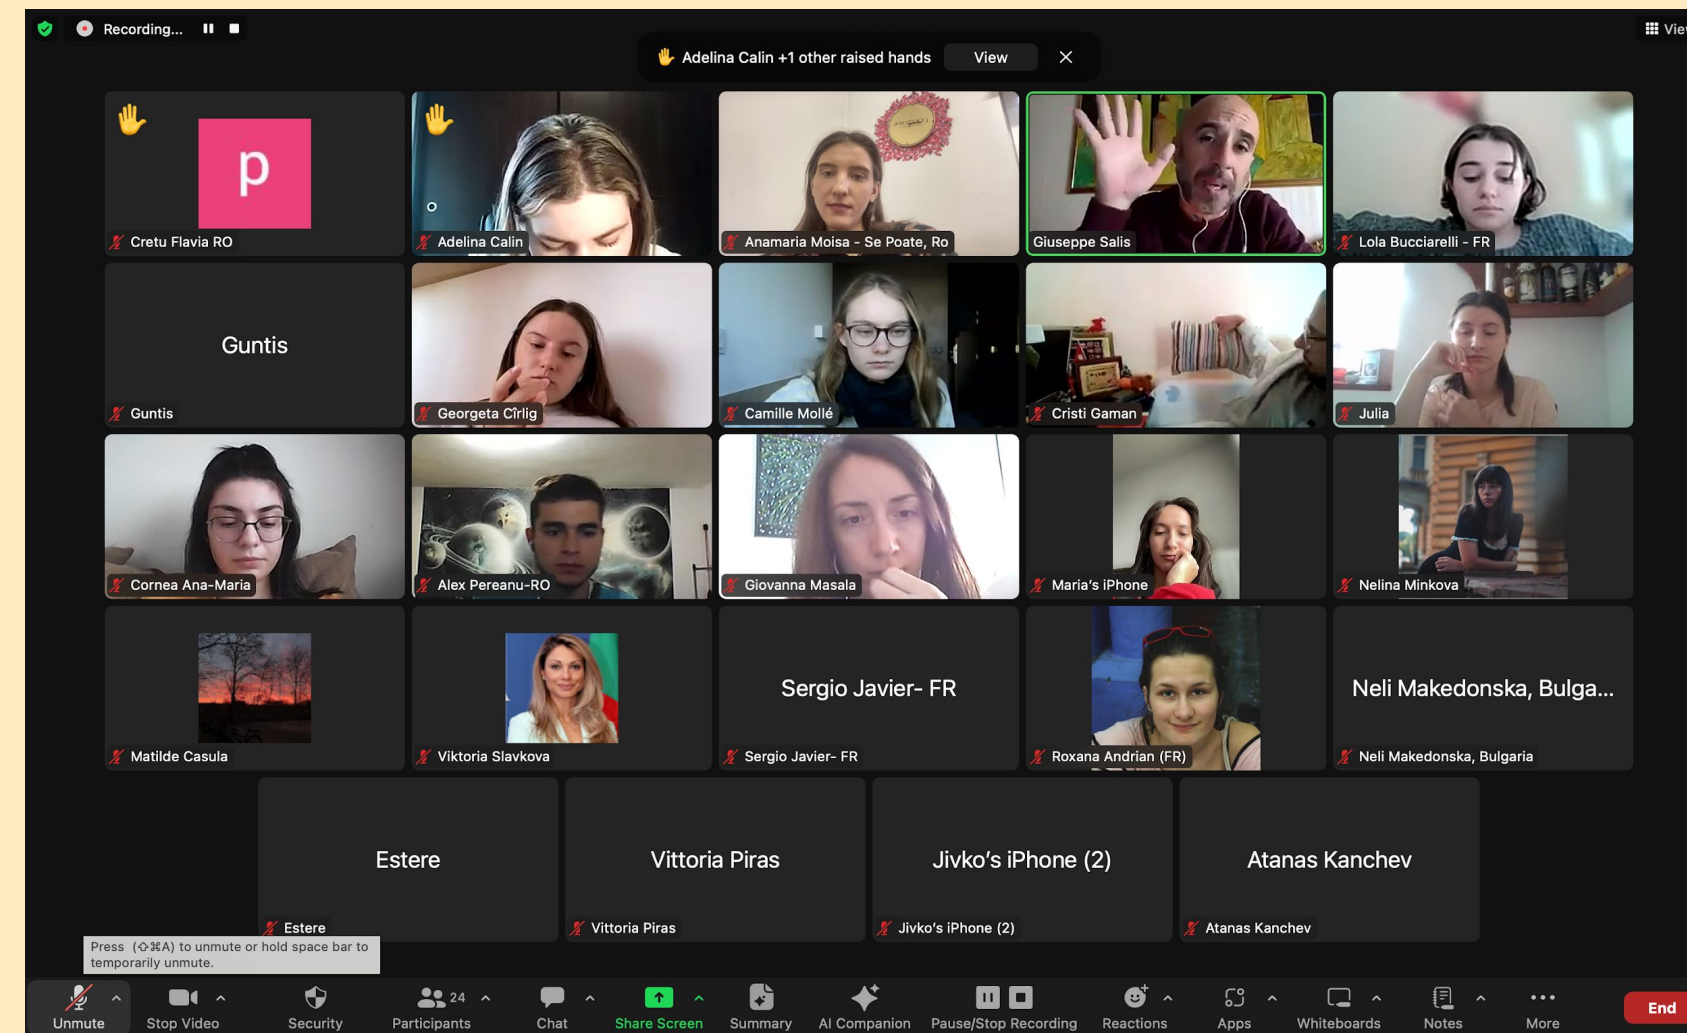

- We talked about the common problems of the Youth;
- Then we came up with 6 innovative initiatives
Ex: discrimination, depression and anxiety, mental and physical health

EMERGED THEMES

- Healthy lifestyle
- Climate change
- Participation of youth in making decision
- Discrimination
- Fake News
- Drugs
- Depression

- Motivation of young people
- Gambling
- Corruption
- Immigration
- Old Generation too conservative

Blended National Trainings

- Participants learned about funding opportunities and project management techniques
- We practiced by trying to develop new projects on the themes proposed in the International Motivation Trainings

International Challenges Events

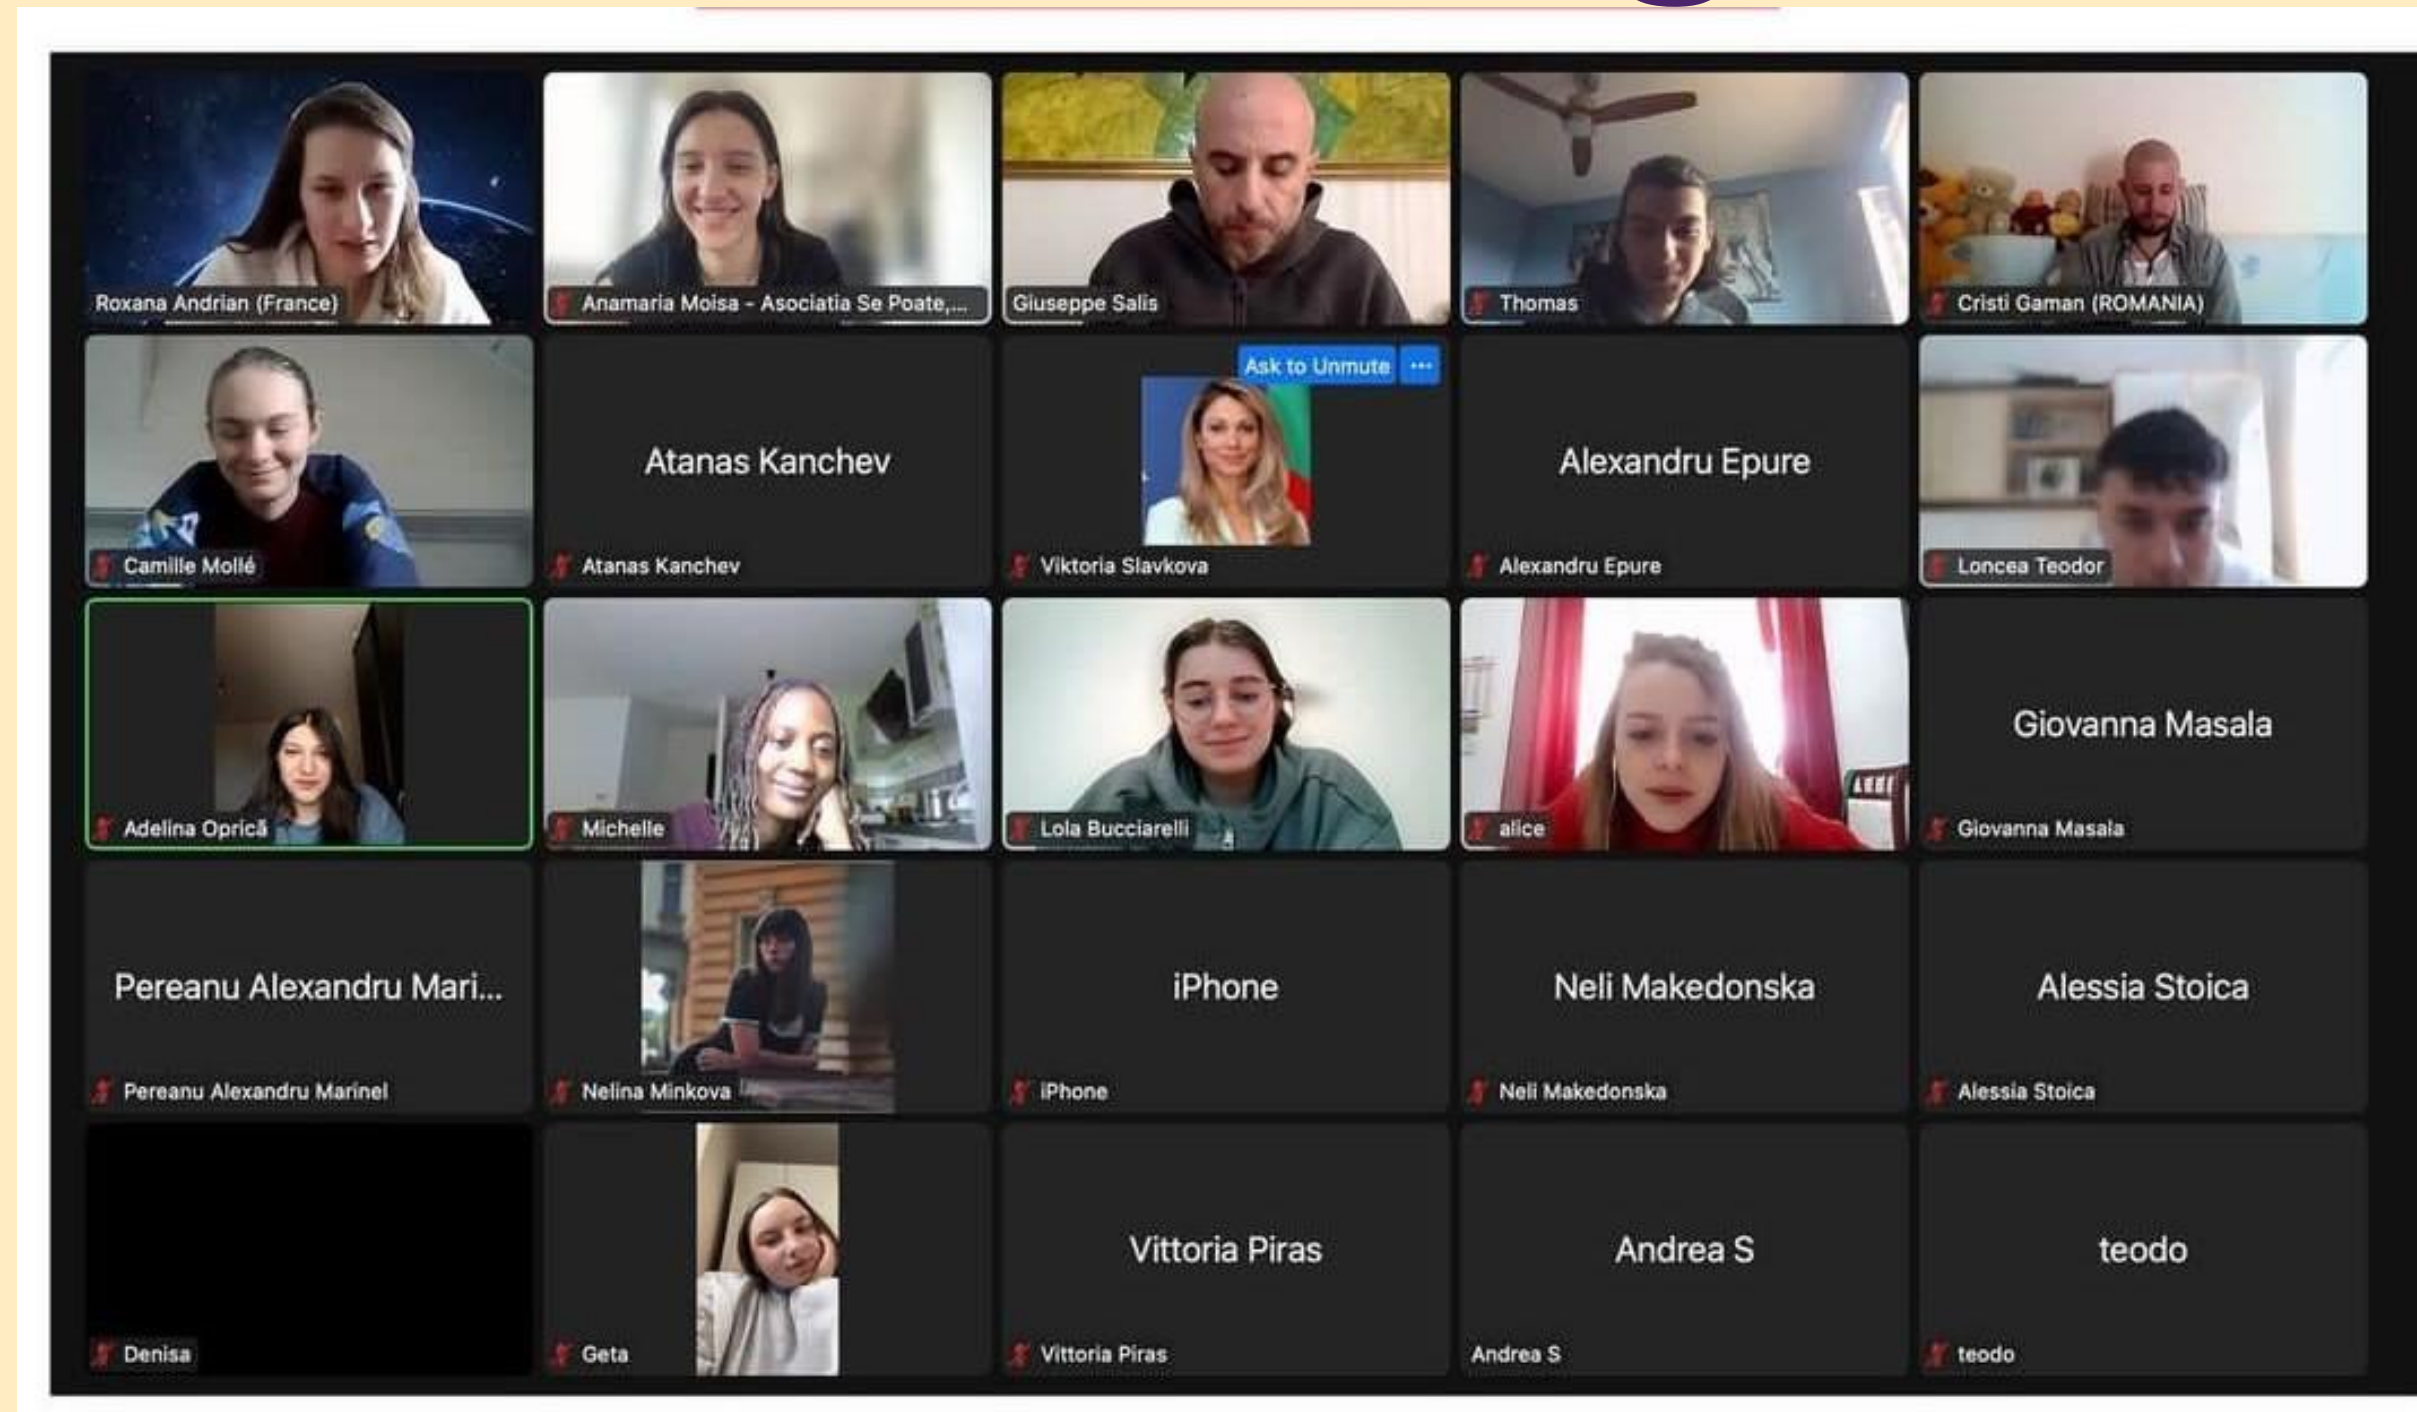

Presentation of 2 indicatives per Country:

LARGE SCALE MOBILITY EVENT

We met in the capital of Bulgaria, Sofia, for two days for Large Scale Mobility Event:

First Day: in the first meeting we discussed about active citizenship, then there has been a Conference with speakers from Romania and Bulgaria, where we discussed with them of various topics.

LARGE SCALE MOBILITY EVENT

Second Day : In the second meeting, we talked about the actions regarding the EU Youth Goals and showed the 2 projects that voted at the meeting.

YOUTH PHOENIX PROJECT

***Thank you all for being part of
this amazing project!***

See you next time!
